MISSION

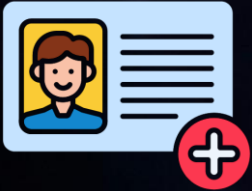

DBSS International SAS

DBSS is a **DYNAMICAL BUSINESS & SCIENCE SOCIETY** that since 2013 promotes, develops and integrates projects for research, business development, academic deepening, and public awareness in sports sciences, physical exercise and health, under the motto *Evolve with Science*. Through its **PROGRAM LEAD BOARD** the activity of its divisions is regulated with the purpose of fulfilling and leading the projects in three main fields: **RESEARCH, EDUCATION & SERVICES**

VISION

By 2027, our **DYNAMICAL BUSINESS & SCIENCE SOCIETY** will be a worldwide recognized organization due to its continuous efforts to bring scientific knowledge and updating to the population immersed in health sciences, sports practice and physical activity in order to contribute to: i) the progress of science, ii) the improvement of the quality of life, and iii) the achievement of physical and sports objectives.
